

About the AY2023 Exit Survey of Post-Graduation Plans

The University of Tokyo

This survey is intended for students who have completed their studies at the University of Tokyo's undergraduate, Master's and doctorate levels as well as for students who have withdrawn from the school having satisfied the necessary credits.

Please fill out the attached survey and submit it through the collection method specific to your department.

Furthermore, please understand that your answers will be used for the following purposes:

1 . Statistical Survey of Employment Situation

The survey result will be used for the Ministry of Education, Culture, Sports, Science and Technology (MEXT)'s "Basic School Survey," which we are required to complete, as well as for the University of Tokyo's "Employment Situation Survey" and other relevant statistical tabulations.

2 Informing University of Tokyo's Activity to Alumni

The survey result will also be used by the University of Tokyo's Alumni Office to offer relevant information and online services to alumni.

*** Your personal information is protected by law and school regulations. All information provided will be securely stored at Development Support Group Alumni Affairs Group.**

○ Departments in charge of this survey

Career Support Group, Education and Student Support Department

Development Support Group Alumni Affairs Group, External Relations Department
